

## LOCATION

In the heart of Tanjong Pagar, a gracious tradition lives on. With a facade reminiscent of the Straits Chinese trading houses that once dominated this area of Singapore, the interior of Berjaya Singapore Hotel evokes an understated elegance of days long past, welcoming guests to the comforts of a colonial residence. Tanjong Pagar has been transformed into a delighted enclave of shops, restaurants, pubs and galleries, which are all within a stone's throw from the hotel. Chinatown, an area that exudes a timeless charm for visitors, is only a short walk away. Other attractions nearby include the Singapore River, Boat Quay and Clarke Quay.
