The newest addition to the oldest part of Reykjavik. Reykjavik Konsulat Hotel pays tribute to the historical grandeur of Consul Thomsen and his welcoming of foreign dignitaries and travellers in the 19th century that established a lasting legacy of international hospitality in Iceland.

### Restaurant

- GOTT Reykjavik is a rosy-cheeked, creative restaurant.
- Healthy and flavorful food is made from scratch, using local purveyors and wholesome ingredients.

### An extra touch

- A little welcome gift
- The Thomsens Magazine

### Living with history

- On the premises of a 19th century department store and home of Ditlev Thomsen, German Consul in Iceland
- Photos, style and artefacts connect past with present

## Be Curious

Our neighborhood is the oldest in the country. The first settlers chose this very spot some 1150 years ago and the old shoreline where they first tied up their ships is probably right under your feet in our lobby.

**K** **Reykjavik Konsulat Hotel** - Curio Collection by Hilton, is situated in the oldest part of Reykjavík at the junction of Icelandic history and style.

- 1. Harpan** - The Harp, music and conference center. Special Architecture, design and lighting in an endless engagement with the environment.
- 2. Alþingi** - The Parliament. Home of the oldest parliament in the world, established in 930 AD at Thingvellir.
- 3. Slippbarinn** - Specialises in fresh, high-quality cocktails. Famous for perfect-to-share dishes.
- 4. Einar Jónsson** - Sculpture Garden. A wonderful museum and garden. The museum was the home and studio of Iceland's first modern age sculptor, Einar Jónsson.
- 5. Geiri Smart Restaurant** - A culinary experience as chic and colourful as the characters of downtown Reykjavík.
- 6. Bæjarins Beztu Pylsur** - It's been open since 1937 and the majority of Icelanders have eaten at Bæjarins beztu hot dog stand.
- 7. Reykjavík Art Museum** - Hafnarhúsið offers a progressive exhibition program with local and international contemporary artists. The work of current notables, art canons and newcomers are presented in six galleries.
- 8. Hallgrímskirkja** - At 74.5 metres high, it is the largest church in Iceland and among the tallest structures in Iceland built in an expressionist architectural
- 9. Sundhöllin** - The oldest public baths in Iceland. Designed by the noted architect Guðjón Samúelsson and opened in 1937. A new outdoor pool opened in November 2017.
